Race Numbers

Pre-chipped race numbers are collectable from the Waterloo Suite upstairs in the main Rugby Club building from 09:30 and the race numbers are distributed by alphabetic surname. Please aim to collect your race number by 10:30. Only pre-paid entrants have a race number as entries on the day will not be available.

It is the runners responsibility, although there will be cordons in place, to ensure you pass over the start and finish mats.

We like to recover and recycle the chipped numbers at the end of the race whenever possible and appreciate your help with this.

Catering Facilities

The Waterloo Suite has indoor catering facilities from approx 09:30 for coffee, tea and bacon sandwiches. The lounge bar will be open serving drinks after the race.

T-Shirts

Huddersfield 10k race t-shirts are to be collected prior to the race after your race number. If you do not have storage then your t-shirt can be collected after the race from the Waterloo Suite upstairs in the Rugby Club building. We will not be distributing t-shirts outside at the race finish.

Changing Rooms

There are changing rooms with showers available on the ground floor, including two ladies changing rooms. Kit bags may be left in changing rooms and the Waterloo Suite at your own risk. Please note that the Waterloo Suite is not to be used for changing.

Prizes

There will be prizes for the first six males, first six ladies, first in each vet. category and first three teams. There is a maximum of one individual prize per runner. Prize vouchers are exchangeable at the site shop or by mail order to Run Direct. Unclaimed prizes will be posted within a week of the race. Finish time will be sent by text message to all entrants who provide a mobile phone number.

Leaving Lockwood Park

When leaving Lockwood Park you must exit via Brewery Drive onto Lockwood Bridge (driving past the rugby clubhouse) as the Meltham Road entrance to Lockwood Park is one way only. Please note this exit route will be closed until the race finishes, if you wish to leave the site earlier we recommend you park off site. Plenty of off site parking is available as you approach along Lockwood Road and Meltham Road.
